DuBoff Jones Scholarship Committee
C/o Melanie Allen
Development Director
Lewis and Clark College Law School

Dear Committee Members,

I would like to thank you for selecting me as the recipient of the 2008-2009 DuBoff Jones Scholarship. The news of the scholarship thrilled me since it will help me achieve my goals and reduce my financial debt.

I admire the sacrifices made by the DuBoff Jones family to our law school. I pledge to continue their goodwill by supporting the law school after I graduate and become financially stable as an attorney in the community. Being a recipient of this prestigious Scholarship I appreciate the gratification and happiness that comes with it. I am sure one day I will feel immense satisfaction with helping other qualified law students.

I would like an opportunity to meet with the DuBoff Jones family and personally express my appreciation. Once again thank you for granting me this scholarship.

Sincerely,

Usman A. Mughal
