

Dear Mr. Leonard DuBoff:

Thank you so much for your most generous donation towards the DuBoff scholarship. Your sister sounds like she was a truly amazing woman, and I hope to be able to continue the important legal work she started. I am deeply grateful and honored to be awarded this scholarship, and I look forward to serving my community after law school in the same way she did.

Thank you again for the scholarship and best wishes for a wonderful 2009.

Sincerely,

Kristi Asai
